- Agile, SCRUM, Kanban, Waterfall

Experience

Company:	**Adidas**
Position:	**Store manager**
Responsibilities:	**Management**

- Organizing all stores processes
- Execution of sales plans by the store
- Monitoring and influence on KPIs affecting the company's sales

- Interviewing and hiring employees
- Teaching and motivating team
- Tracking employees' KPIs
- Cash operations
- Meeting with the management team to discuss the situation in stores and share best practices
- Implementing visual merchandising recommendations

Duration: 2020 – 2022 (2 years)

Achievements: I consider my main achievement to be taking on the challenge of opening a new store for the company I worked for.

In preparation for the opening, I conducted interviews and hired and trained reliable employees who had worked with me for at least one year. I also organized the process of preparing the goods and the visual part of the store in a timely manner.

All the work was completed on time.

After the opening, I organized the store's work and the achievement of business goals.

Company: **Adidas**

Position: **Service consultant, administrator**

Responsibilities:

- Working with customers
- Improving store KPIs
- Teaching fellow workers

Duration: 2014 – 2020 (6 years)
